Dear Families,

It has come to my attention that some students are coming to school with cell phones. The student handbook states in part the following with regards to cell phones:

The school cannot be responsible for personal items brought to the school. Students may not bring the following items to school:

- Cellular phone and other portable devices (unless permission is granted by the principal)

I understand that there are certain circumstances where families want students to have phones. In this situation you need to fill out the permission slip attached to obtain permission from the Principal. If permission is obtained, cell phones must be turned off and put in backpacks. Cell phone usage will **not** be allowed during the school day, including lunch and recess times. Please speak with your bus driver to determine the rules regarding cell phone usage on the bus.

If a student violates the cell phone rules, they will have the following consequences:

First Infraction - Students will have their cell phone taken away and returned at the end of the day.

Second Infraction - Students will have their cell phone taken and locked up in the office until a parent can come to school to retrieve it.

Third Infraction - Students will no longer be allowed to bring a cell phone to school until a parent conference with the principal is held.

Thank you for your cooperation in this matter.

Sincerely,

Marcella Terranova Clark
