

Governor's Announcement 8/31

Dear CIP Community,

This afternoon, the Governor released that there will be a full in person return to school for students across almost *all* districts in RI beginning on September 14th.

The Foster School District has been approved to a full in person return for our students.

Please keep in mind that our full in person plan is a Hybrid Plan giving families the opportunity and options for 2 days a week in person instruction and 3 virtual days of instruction, 5 days a week in person instruction, and two distance learning options. Please visit our web page @ Paineschool.org for further information.

Please fill out the following form if you request a change in your option by **no later than tomorrow, September 1st.**

To do so, please submit a ***Request to Change Registration for Learning and Transportation Form.*** You can find the form on the district website or you can use the link below:

https://docs.google.com/forms/d/e/1FAIpQLSfxbgKdSfrecWMPEiPTEmnFcqiWswHrdH-uJZApEeUgb_M6WQ/viewform

If you have not yet registered, you can use the link provided above. For your advance planning, we plan to release individual student class schedules the week of September 7th. Technology will also be distributed the week of September 7th. More information to follow soon.

Please keep in mind that in person instruction for elementary students is recommended when at all possible. Distance learning options have been provided for parental choice this year. Please keep in mind that Option #2- Zoom instruction will follow all in person instruction curricula and schedules at CIP. Option #1 is an own pace learning program and should be considered when following a school schedule is difficult to follow for a child and family. Please choose the return to school option that best meets your family's needs, child's learning style, and family availability.

Please [email](#) me with any questions or concerns.

Thank you for all your continued support and patience as we work towards reopening CIP safely for all our students, staff, and families.

Mrs. Clark

CIP Principal
